THE MALTA CHAMBER

PRESS RELEASE

The Malta Chamber and RSM Malta Renew Gold Sponsorship Agreement

The Malta Chamber of Commerce, Enterprise and Industry is pleased to announce the renewal of its Gold Collaboration Sponsorship with RSM Malta. This renewal marks the ninth consecutive year of collaboration, reaffirming a shared commitment to advance talent, workforce development, and policy advocacy in Malta's business ecosystem.

Since the original partnership began in 2016, RSM Malta has consistently supported The Malta Chamber's efforts to shape national discourse on human capital, productivity, industrial relations, and workforce strategies. The agreement underscores both entities' dedication to nurturing Malta's economic potential through initiatives aligned with strategic policy-making and community engagement.

"For The Malta Chamber, our renewed collaboration with RSM Malta signifies more than just continued sponsorship - it reinforces a mutual mission to empower our business community through expert insights, shared values and forward-thinking initiatives. Together, we will continue to deepen our influence in shaping Malta's future workforce and talent policies," said William Spiteri Bailey, President of The Malta Chamber.

"RSM Malta is proud to renew its sponsorship agreement with The Malta Chamber for the 9th consecutive year. This continued partnership reflects the strong alignment in purpose and values between the two organisations, particularly in promoting excellence, innovation, and sustainable business practices. The renewed agreement not only reinforces our shared commitment to supporting the local business community but also represents a strategic collaboration aimed at driving economic growth and good governance in Malta," stated Karen Spiteri Bailey, Managing Partner at RSM Malta.

The agreement was signed by William Spiteri Bailey, Mark Bajada and Dr Marthese Portelli, President, Deputy President and CEO at The Malta Chamber respectively, and Karen Spiteri Bailey, Managing Director at RSM Malta.
