

THE MALTA CHAMBER

PRESS RELEASE

31 May 2026

The Malta Chamber Congratulates the New Government and Reaffirms Its Commitment to Social Dialogue

The Malta Chamber would like to congratulate the Labour Party for their electoral victory and wishes them a successful term in Government.

The Malta Chamber is committed to continue working in the areas that improve the business landscape, particularly improving quality, excellence and standards across all areas and sectors. The Malta Chamber highlights that all the proposals that it put forward in LEAD are intended to facilitate investment, by providing a level playing field for all, improving competitiveness and facilitating ease of doing business. All these are crucial for an economy to be able to perform in challenging times.

The Malta Chamber is committed to continue working with the Government, the Opposition and all politicians who have the interest of the country at heart.

The Malta Chamber would like to thank all candidates and party officials who contributed to this electoral process, and congratulates all candidates who will form part of the new parliament. The Malta Chamber will continue to do its part in promoting social dialogue and contributing to the country's policy development.
