The Malta Chamber and EY Malta renew Gold Collaboration Alliance

The Malta Chamber of Commerce, Enterprise and Industry and EY Malta have renewed their Gold Collaboration Alliance, reaffirming their commitment to strengthening Malta's business community and contributing to informed national policy discussions.

Through the renewed agreement, EY Malta will leverage its extensive expertise to provide consultancy services and support The Malta Chamber in the development of national policy positions and recommendations. This collaboration will focus on key areas addressed by The Malta Chamber's Business Sections and Horizontal Thematic Committees, providing valuable expertise and insights to support the Chamber's ongoing work in representing the interests of the private sector in national discussions. The renewed alliance builds on the longstanding relationship between the two organisations and their shared commitment to fostering a competitive, resilient and sustainable business environment. EY Malta has previously supported The Malta Chamber through its expertise in a range of areas relevant to Malta's economic development and business community.
